GREX CLUB OUTING

To Be Held at South Coventry, Instead of at Golumbia Lake.

About twenty members of the Grex club of the Congregational church at-tended the annual meeting Wednesday evening in the church house. The re-port of the treasurer showed a balance of about \$70 on hand, and a successful year passed. It was voted to hold the field day this year at South Coventry instead of Columbia lake, as previously determined, on ac-count of the difficulty of transporta-tion to Columbia pow with the road tion to Columbia now with the road

The following officers were elected: President, A. P. Ramshaw; vice president, Elmer Ellsworth; secretary, Morris Smith; treasurer, Arthur Arnold. Counsellor E. O. Sumner and Teacher K. W. Reynolds were tendered a vote of thanks for their efforts dur-ing the past year, and the request made that they continue their good offices this year.

FUNERAL,

Miss Julia O'Connell.

The funeral of Julia O'Connell, a native of Norwich, was held from the home of her sister. Mrs. George Rathbun, in Windham, Wednesday morning. The requiem high mass at St. Joseph's church in this city at 10 o'clock was sung by Rev. Philip J. Mooney. The bearers were Daniel and John O'Connell and James Sullivan of Norwich and John Morlarty of this city. The body was conveyed by special ear on the Shore Line trolley to Taylor of the general committee with home of her sister. Mrs. George Rathcial car on the Shore Line trolley to Greeneville, for burial in St. Mary's the members of the town and city government. A general discussion of ways and means filled the rest of the cemetery.
Miss Nellie E. Clark.

The funeral of Nellie Evelyn Clark was held from the home of her grand-father, Robert Upton in Mansfield, Wednesday morning, with services in the Mansfield Center Congregational church at 10 o'clock, at which Rev. E. P. Ayer, the pastor, officiated Relatives acted as bearers. Burial was in

H. S. Team Wins Wednesday's Game, 14 to 6.

Windham High school took the measure of the boys from Stafford Wednesday afternoon on the grounds at Recreation park by the score of 14 to 6. The visitors could not get to either Cotter or Potter consistently, and made numerous errors, while the W. H. S. boys solved Dupre's benders word had a fine day with the W. H. S. boys solved Dupre's benders early, and had a fine day with the stick, fattening up their averages. They played a good game in the field. Ottenheimer and Pickett starred at the bat. The fielding play of the game was a running catch by Converse in centerfield. Buster Harroun won glory by a clean steal of home in the eighth inning, sliding under the throw by a hair. The score:

hair. The score:

School Committee Met.

The regular monthly meeting of the town school committee was held in the town building Wednesday evening. R. H. Fonton, T. J. Kelley and C. C. Case were appointed a committee to investigate the matter of the lunch privilege at the high school and report to the next meeting. It is possible the priv-llege may be let out to the highes bidder and bids asked for. It was voted to close the grammar schools Old School week at 1 o'clock Monday and Tuesday and all day

The matter of a director for instrunental music at the high school next ear was left to the teachers' commitee with power. C Case and Principals H. T. Bur

and James L. Harroun were appointed a committee to make arrangements for a proposed cooking course at the Natchaug school. Principal E. A. Case of the W. H. S. was given power to fill the balance of the vacancies in the high school teach-ing staff.

Previous to the meeting, the teach ers' committee met and voted to hire the following: Instructor in physics and chemistry at \$1,100 at W. H. S., Clarence W. Lombard, teacher at West Springfield High school for the past three years; instructor in science at \$600, Catherine E. Hubbard of Middleown, now laboratory assistant at Mt, Holyoke; instructor in stenography, subject to the approval of Principal E. A. Case, at \$700, Mary Fillmore, for

the past three years at New Milford High cshool; for teacher in the grammar grades at North Windham, Ciara Sibley, at a salary of \$600, and in the primary room, Ruth Chappell of this city, at a salary of \$480; drawing instructor, Sara E. Lewis, at \$300.

To eliminate the veying prisoners:

gan to Central Vi a little lockup has in the nearby vill are not frequent.

A special commistructor, Sara E. Lewis, at \$300.

Small Boys Start Fire.

A fire in the woodshed of Frank elo, who conducts a store at 1181 fain street, which was discovered Main street, which was discovered Main street, which was discovered Wednesday afternoon by Mr. Melo, was investigated by the police. They found two small boys, five and six years of age, who admitted having started it. One of them found a match and lighted some paper which was handy. Owing to their youth only a severe reprimand was given the boys. The fire was put out before any great damage had been done.

The warm weather of Wednesday esulted in a good sized crowd at akeside park, South Coventry, where lancing was enjoyed till a late hour, Twenty-nine deaths were recorded in the town of Windham during May and there were twenty-eight different causes given in the certificates. Fiv of the number were infants and 17 over

# J. B. Fullerton & Co.

WILLIMANTIC, CONN.

A Boston manufacturer, seeking a new location for his plant in this part of the country, spent Saturday here, going over the situation with the officers of the Putnam Business Men's association. He has made a conspicous success in his line, and is rated very high by the commercial agencies as well as by the banks of Boston. He went into details as to the requirements of his factory, and was shown every available property suitable for his purposes. He would expect to lease for a term of years, not apply that the statement of the st building until experience had prove this the best place for his business His plan would be to bring a dozen or more families with him for a nucleus of highly skilled help, and hire and train others here. Opening with fifty hands, he would expect to have double that number in a few months. He is not looking for any bonuses or favors, but merely to be put in touch with the owners of property to rent, and to be furnished the information needed to form an idea of the suitability of the city as a site for such an enterprise.

FOUR

DAYS

ONLY

an enterprise.

Officers of the association motored with him over town and supplied all the information requested. He is in touch with them by mail and wire, and good hopes are entertained that his thriving industry may be in operation here within a few weeks. The shipping facilities here are a strong point and he was highly impressed with the prompt freight connections, an enterprise. with the prompt freight connections, due to Putnam being one of the eight transfer points for the New Haven
